

# Volunteer for Harvest 2024

Help Bring in the Harvest!

Saturday, August 10 at 6:30AM

It's time to Harvest, and we're seeking volunteers to help! We'll harvest in the morning, followed by a delicious lunch and a glass of wine that we'll provide. Happening rain or shine!

We'll provide clippers, if you need them, and water.

We suggest you bring clippers (if you have them), a chair or bucket to sit on while harvesting, bug spray, a hat, gloves, and sunscreen.
