## Columbia and Snake Rivers: Food, Wine, and History (8-Day)

Lindblad Expeditions and *Food & Wine* magazine are combining their expertise to deliver the most stimulating and satiating experience possible in the Pacific Northwest. Delve deep into the history, harvests, and landscapes of the Columbia and Snake rivers while indulging your senses with the region's culinary splendors and world-class wines. Our nimble, intimately-scaled ship will follow the storied waterways traveled by early explorers, settlers, and indigenous peoples as we take in spectacular scenery; tour museums and historic sites; and actively explore by foot, kayak, Zodiac, and jet boat. A top team of naturalists—including experts on history and geology—will illuminate all we see, and a wine expert will offer accessible wine education and nightly tastings to guide you through the region's rich terroirs.
